

HQ

DETACHMENT "H"

STANDARD OPERATING PROCEDURE

~~H-50-9~~ This SOP supercedes SOP H-50-31 dated 23 October 1969 which is deleted.

25X1C

OPERATIONAL MISSION PILOT PREPARATION

1. PURPOSE: To establish the desired minimum mission preparation to be accomplished by Primary and Alternate [REDACTED] mission pilots for all operational missions.

25X1C

2. SCOPE: The provisions of this SOP are applicable to all [REDACTED] mission pilots.

3. RESPONSIBILITY: The Director of Operations is responsible for insuring that the provisions of this SOP are complied with.

4. PROCEDURES:

a. After an operational mission has been alerted, and prior to mission briefing, the following minimum activities will be accomplished by both the primary and alternate [REDACTED] mission pilots:

25X1C

25X1A

<u>ACTIVITY</u>	<u>TIME</u>
-----------------	-------------

- | | |
|--|------|
| (1) Detailed route study and chart/log preparation: | 2:00 |
| (2) Cockpit time (equipment/systems controls/switches:) | 0:15 |
| (3) Review of mission equip and Flight Handbook, Sec IV: | 0:15 |
| (4) Tactical Doctrine study and [REDACTED] discussion: | 0:15 |
| (5) Abort Criteria review: | 0:05 |
| (6) Escape and Evasion review: (if applicable) | 0:10 |

b. Both primary and alternate [REDACTED] mission pilots will attend the formal mission briefing. This will preclude the requirement for a second briefing in the event of a late pilot change.

25X1C

c. This SOP is established to insure pilot preparation for a proficiently and safely accomplished mission.
